

Case Study:

Md. Al Amin

Electronics trade

Rasel Pathan, Son of Md. Lal Mia is a youth of 20 yrs old, Villlage:- Bolla, Upazila- Kalihati under Tangail district. Al Amin is a child of poor families. His father was a poor farmer & mother house wife. His family members are five including two sister, father and mother. After completing SSC due to financial problem he could not continue his study. He came to know through friends about BGS-Vocational Training Centre (VTC) admission circular in one year training course on different trades. He decided to take technical training and got admission in Electronics Trade of batch no. 34 at BGS-Vocational Training Centre (VTC) Tangail. His training was running smoothly. After completion of training he was given job as a Technician in **Grameen Mobile** Assembling Industry, board bazar, at Gazipur district and his monthly salary is TK. 7,500 (Seven Thousand Five Hundred) per month.

Now he is in better living condition and he is thinking to achieve his dream. He expressed his grateful to BGS-VTC to reach this stage.
